

## HOPSCOTCH VERSION 2.0

Create your own version of hopscotch for your family and/or your neighbour's family! The same rules of hopscotch applies - throw an item into the marked area and hop to the next point until you reach the end. Get creative and make it challenging!

### HOW-TO-DO

- 1 Find an open and common space that is accessible for you and your neighbour

- 2 Set up your version of hopscotch with the materials

- 3 Play it by yourself or invite a neighbour or more to join in
