

## STORYBANK

Take a photo of an interesting object in your home that you have a strong connection to and a story to share about it. "Storybank" aims to compile the stories from each neighbour who participates, to build a temporary mural where everyone can read each other stories.

### HOW-TO-DO

- 1 Snap a photo or draw an object and share an accompanying story or experience
- 2 Find a common wall to pin up your story and leave the instruction manual with it

- 3 Wait for or encourage your neighbours to add on more stories

### NEIGHBOUR(S) NEEDED

## LEARN SOMETHING NEW ABOUT YOUR NEIGHBOUR

- 1 Identify something precious to you in your home that you have a fond memory of (eg. guitar, book, your pet)
- 2 Snap a photo or draw it out!
- 3 Add a caption to it: describe why it is important to you and why you love it
- 4 Pin it up on this shared wall to build a storybank filled with you and your neighbours' stories!
- 5 Remember to write your name and unit number so that we can learn something interesting about each other
