

## UPGRADE ME

Here's a game entirely for fun - "Upgrade Me" is a fun challenge that begins with a small item you have. The aim of the game is to exchange your item for a bigger item until you've reached your maximum. Have fun and enjoy gathering the random treasures from your neighbours!

### HOW-TO-DO

- 1 Choose a small object from your home and trade it with a neighbour
- 2 Be convincing and show gratitude when you receive an exchange

- 3 Share your final item with us by tagging #knockknock and @shophosueco on social media
